

THE HOLLIES  
FOREST LODGES

2016

## WELCOME TO THE HOLLIES FOREST LODGES, AWARDED THE BEST SELF CATERING ACCOMMODATION IN CHESHIRE

The Hollies Forest Lodges are set in the heart of the Cheshire countryside. 5 award-winning-luxury 5\* Lodges that are individually styled and hand-built to the highest of standards, each with their own hot tub. Located in their own pine forest, the Lodges are perfect for a relaxing and luxurious getaway, anytime of the year.

Each Lodge features a hot tub, set on a spacious decked area with a Big Green Egg BBQ. Log burning stoves in the lounge, an entertainment system consisting of TV, DVD player and music system and a modern fully fitted kitchen to make your stay feel homely and relaxing. The beds are sumptuous, the furnishings extravagant and the lighting opulent; creating an experience to remember.

Privacy is one of the key factors that make our Lodges extra special. The Forest Lodges, whilst in their own small community, are set back from each other so that one Lodge doesn't encroach upon another. Each Lodge has its own private decked area at the rear, encompassing their own hot tub and BBQ area. Kick back and relax with those special to you.

As the temperature outside drops, stoke up the log-burning stove, with logs and sticks available from the Farm Shop. As night falls turn on the lights and feel the coziness of your own Forest Lodge; you couldn't be further away from your daily routines. Take advantage of the special packages available to enhance your stay; choose between welcome hampers, flowers, champagne and Chester Zoo tickets.

## THE HOLLIES' HIGHLAND HOTEL

Muckrach Country House Hotel opened as a boutique hotel in the Highlands of Scotland in April 2015. Over 14 months the Cowap family poured their heart and souls into the project, stripping the hotel back to its granite and starting again. Re-plumbing and re-wiring throughout to ensure that a Victorian shooting lodge built in 1861 could offer the grandeur of the period but also the luxury and comfort of today.

13 individually designed bedrooms (2 rooms are dog-friendly) with Hypnos beds, chandeliers, contemporary bathrooms, fabric wallpapers and unique wall art. The public rooms offer opulence and comfort; the Library allows you to relax in the Chesterfields whilst enjoying a coffee and reading your book and the Drawing Room lends itself to an Afternoon Tea with friends or a pre-Dinner gin and tonic.

The Coffee Shop and Restaurant offers food from Breakfast through to Dinner, the menus created by Head Chef Rayner Muller. A Coffee Shop offering during the day and a Brasserie-style Restaurant by night, using the freshest and best local and seasonal ingredients.

Muckrach is situated in a fabulous position for so many Highland activities, from snow sports to field sports and fishing to walking holidays. You can be skiing on the Cairngorm Mountain within 40 minutes of leaving the hotel in Winter or fishing on the Spey within 5 minutes in the Spring.

Phil and Ed of The Hollies Farm Shop, are the entrepreneurial Brothers behind the project, driven by a passion to create something special in an already very special area of the UK. A Highland welcome awaits you!
