Create the perfect hamper

Our Hamper Angels are always on hand here at The Hollies ready to help you create a bespoke hamper. You can choose the contents with the person in mind, selecting their favourite products in line with your budget. Our team can offer you advice and suggestions on what to put in there if you are looking for inspiration for that person who is hard to buy for. When you

have selected the products, one of our Hamper Angels can then work their magic to arrange them beautifully in either a wicker basket or a Hollies black box.

For your convenience, some ready-made hampers will also be available at both Little Budworth and Lower Stretton in the run up to Christmas.
