Takeaway Coffee Cup Template

To Enter

Scan & email your entry to
takeaway@theholliesfarmshop.co.uk
or hand it in at the Takeaway at Little
Budworth. (We can also accept artwork
not on the template and our graphic
designer can work with that for you)

Bleed Area

Due to potential tolerances in the die cutting process, it is necessary to have a bleed area to account for any small movement.

Your artwork/background must extend to this bleed line please.

Visible Print Area

This is the print safe area for your artwork, an the final visible area on the product.

It is recommended that you leave a small safe distance away from this line to account for small forming tolerances.
